EDUCATION

- BCA |Vidya Institute of Creative Teaching (VICT), Meerut
- X (CBSE) | CPS MODINAGAR   (71%)
- XII (CBSE) | CPS MODINAGAR   (70%)

ABOUT ME

I am a motivated and detail-oriented recent graduate with a strong foundation in programming languages such as C, C++, and Java, as well as proficiency in Excel for data analysis and visualization. I am passionate about problem-solving and continuously improving my skills. Through my academic projects and personal learning, I have developed a solid understanding of object-oriented programming, algorithms, and data structures. I am eager to contribute to a dynamic team, expand my knowledge, and grow professionally in the software development field.

ACHEIVEMENTS

- 1st Position in Web Tech Era Event, [VICT]
- 1st Position (1st Round) in Techwiz Event , [VICT]

INTERESTS

- Interested in data analysis and visualization, with hands-on experience using Excel.
- Love playing strategy games that challenge my problem-solving and decision-making abilities.
- Enthusiastic about reading tech blogs and books to stay updated on the latest in software development.
